CrosSwhAt is a crossword compiler. You can use CrosSwhAt to create crossword puzzles from your crossword word list. CrosSwhAt's program looks at a list of words (crossword word list), e.g. a list of every word you can find in your current dictionary (usually in the dictionary section of your word processor), and then creates crossword puzzles from it. In addition, CrosSwhAt includes a sudoku program. You can use it to create sudoku puzzles, or you can use it as a generative source to create anagram puzzles, and many other types of word puzzles. CrosSwhAt can also export to many other languages. Crossword Compiler Features: Crossword Compiler includes a free crossword word list editor. CrosSwhAt uses this editor to edit crossword word lists in many different ways. CrosSwhAt can make crossword puzzle from English, French, German, Danish, Dutch, Norwegian, Spanish, Swedish, Polish, Portuguese, Czech, Romanian, Russian, Bulgarian, Greek, Hungarian, Turkish, Finnish, Greek, Ukrainian, Lithuanian, Latvian and Estonian. CrosSwhAt can also make word searches for English, German, Dutch, French, Spanish, Portuguese, Danish, Norwegian, Swedish, Finnish, Swedish, Polish, Czech, Romanian, Russian, Bulgarian, Greek, Hungarian, Turkish, Lithuanian, Latvian, Croatian and Estonian. CrosSwhAt can also make sudoku puzzles for English, German, Dutch, Danish, Norwegian, Finnish, Swedish, Spanish, Portuguese, Romanian, Bulgarian, Greek, Hungarian, Turkish, Lithuanian, Latvian and Estonian. CrosSwhAt can also make anagram puzzles for English, German, French, Spanish, Portuguese, Romanian, Bulgarian, Greek, Hungarian, Turkish, Finnish, Swedish, Lithuanian, Latvian and Estonian. CrosSwhAt's crossword word lists can be imported into CrosSwhAt to create crossword puzzles from them. The editor is a color-coded, graphical, user-friendly program for editing crossword word lists. Each word list can have its own color. You can add, edit and delete words and crossword clues one word at a time. CrosSwhAt's crossword word list editor lets you search through a list of words and delete them, or add them to the list. You can open up any current crossword, select a

Crossword Compiler is a simple and useful application that enables you to create educational and fun puzzles. In one easy-to-use program you can make crossword puzzles, word searches and sudoku.
